

9th Avenue Interchange

Schedule:

September 2010 through
November 2011

Location:

9th Avenue
Winnebago County

About the US 41 Project:

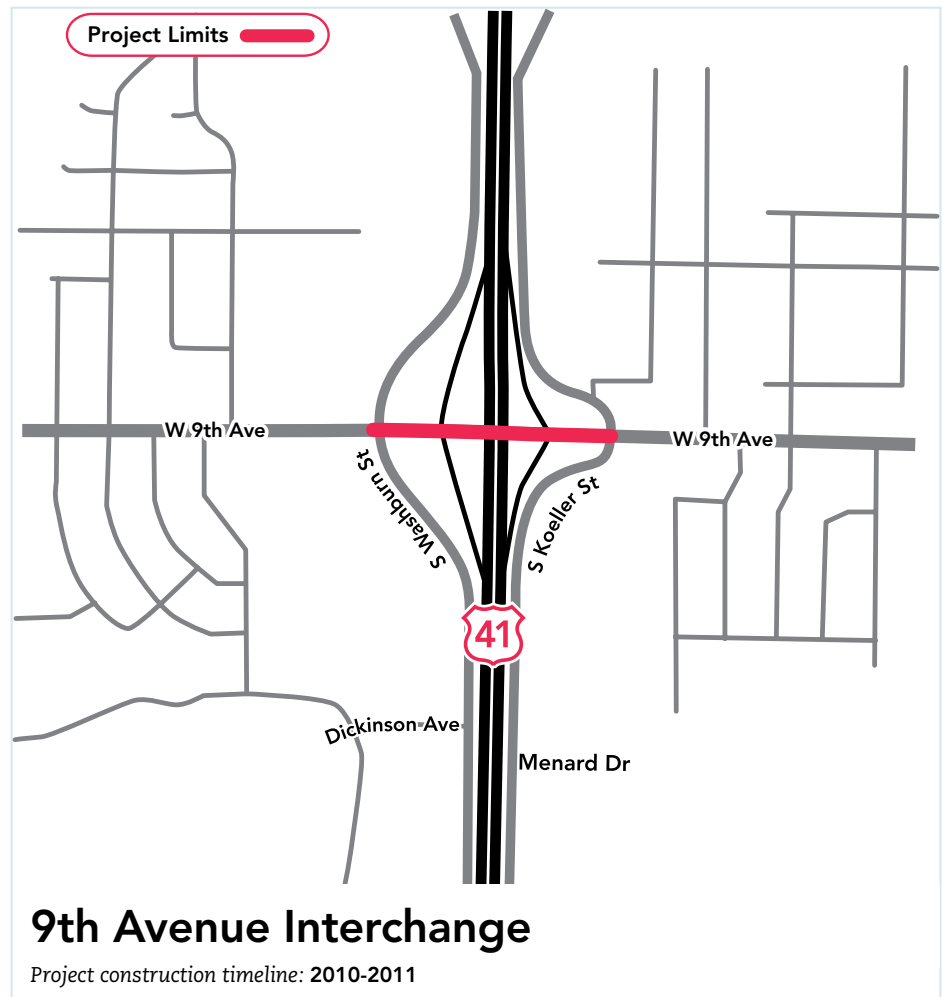

Construction work on the US 41 Project will span over 17 miles of highway in Winnebago County from 2009-2014, and 14 miles in Brown County from 2010-2017.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 44 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Questions?

- Visit the project website online at www.US41wisconsin.gov
- Call the project hotline at: (920) 492-4120

At the **9th Avenue** interchange in Winnebago County, WisDOT will:

- Reconstruct the interchange to a tight diamond configuration with multi-lane roundabout on **West 9th Avenue** and at ramp ends.
- Build multi-lane roundabouts at **South Koeller Street** and **West 9th Avenue** and **South Washburn Street** and **West 9th Avenue**.
- Reconstruct the **West 9th Avenue** bridge over **US 41**.
- Slightly relocate **South Koeller Street** to accommodate the new northbound on-ramp.
- Lengthen on-ramps.

(See other side for Traffic Impacts)
